WEEK IN REVIEW

ONEG SHABBOS

This past Friday night we held an Oneg at the home of Mr. and Mrs. Rapahel Mifsud. B"H we had a beautiful turnout, as close to 40 young men from the Pickwick/Cross Country/Heather Ridge areas came to take part in the uplifting Ruach. There was singing, Divrei Torah and of course great food! Towards the end of the Oneg, the Rav opened the floor for questions on any topic, which generated some great conversation. We'd like to thank the Mifsud family for opening their home for this special event.

SIYUM

On Sunday Night we held the Siyum on Maseches Rosh HaShana in the Shul, with the participation of close to 150 men. Divrei Bracha were shared by the Rav and R' Shuie Anisfeld, and the Siyum was made by R' Shimon Balakhani. To change things up a little bit, the décor and cuisine were of "Mexican" style!

WOMEN'S EVENT

In conjunction with the men's Siyum, we held an event for the women as well. Around 60 women came to take part in the Simcha of their husbands and to be inspired by a panel of wives of our Maggidei Shiur who shared their experience of having their husbands committed every day to giving a Shiur. The women left the event very moved, proud to have a husband who's committed to his learning and feeling how fortunate they are in having a Chelek in their husband's Limud HaTorah.
